Workshop Cooperation with AKPIK
The Workshop "Conceptual Advances in Deep Learning for Research on Universe and Matter" will be organized in cooperation with the AKPIK (DPG Arbeitskreis Physik, moderne Informationstechnologie und Künstliche Intelligenz). Tim Ruhe becomes member of the workshop organization, will check with the AKPIK executive board, and send an invitation email to the 1000 AKPIK members.

Preparations for PRISMA Forum 30./31.8.22
The PRISMA Forum with the chair Dr. Volkmar Dietz wishes information on the ErUM-Data-Hub, especially the measures for training and education. The slides will be presented by Frau Petersen from PT.DESY. The initial slides will be enhanced with the preliminary program for 2023 (workshops, schools, Hannover Messe).

The NFDI announcement for acquisition of new stuff was extremely successful with many applicants. The ErUM-Data-Hub will improve its announcements accordingly and will start the next round immediately.

Common Workshop with NFDI
The common workshop ErUM-Data and NFDI will be held in person 24-Oct-2022 at the meeting facilities of the Frankfurt Flughafen Fernbahnhof. The program will be lead by Astrid Schneidewind, Monica Valencia-Schneider, Kilian Schwarz, Thomas Schörner-Sardenius.

Annual Meeting of the ErUM-Communities
According to our guidelines, the 1-year mandate for all topic group chairs, deputies and the spokesperson finish at the end of this year. The mandates need to be renewed, or new candidates need to be found. The following actions are needed from the topic group chairs:
Please send an email to your mailing list
- asking for nominations for topic group chairs and deputies to be sent to Martin Erdmann (Spokesperson)
- asking for nominations for the spokesperson to be sent to Uli Katz (chair of the Overview Board).
